

An MSOC Hybrid course is being offered for USNR MHSC Graduates which combines distance learning with in-person participation at the U.S. Naval War College. Following completion of MHSC (and attainment of the JSM AQD) participants will attend the last three weeks of an established MSOC course and earn the JOM AQD upon successful completion. There is limited capacity with only 1-4 hybrid students per MSOC class.

Questions: MHSC@usnwc.edu

Requirements:

- USNR
- Completed MHSC “recently” (this definition being worked on...)
- Complete MHSC to MSOC Bridge Course before reporting in person (after accepted to this pilot program, students will be enrolled in Bridge Course 2 weeks from in person report date).
